

## david hutchins

David Hutchins is a prolific 'Country Crossover' Singer/Songwriter/Recording Artist with Nashville and Canadian produced albums and an extensive catalogue of original compositions to his credit.

A Country Male Vocalist of the Year nominee for Canada's most prestigious Juno Awards as well as an Outstanding New Artist nominee for the Big Country Awards has seen David with nationally charted radio airplay, music videos (CMT Nashville, Canada's Outlaws & Heroes,) and television appearances.

Canadian and European touring as well as performing in the US and Caribbean, is all a part of his history. David has been a 'Principal Resident' of the US for the past thirteen years and resides in Florida.

From concert stages, music festivals, theaters and clubs, cruise line feature guest performer to corporate and private functions, he has entertained internationally to audiences of all sizes.

His instruments are electric and acoustic guitar, piano and keyboards. Performing his own songs at concert and festival type venues, he is traditionally backed by a seven piece band however, he is very comfortable performing as a solo artist.

Along with selections from his own original compositions, David has a massive repertoire (over five decades) of cover songs at his disposal. Blues, Rock'n Roll, Folk, R&B and Country genres are all at his fingertips.

It should be mentioned that in addition to a busy music career, his history has included Music Production Consultant (seven casinos), Speaker and Mentor.

His travels, observations and life experiences have all contributed to his ability as a top notch singer/songwriter. His music is the perfect match for lyrics that are relatable, visual and compelling!

With an outgoing personality, David Hutchins is a versatile, dynamic and accomplished performer!
